the President recommends, as resolved by the Bannur Munl Board, that an establishment at a cost of Rs 264/ per annum (namely one manager on Rs 18/ and 2 peons on Rs 6/ each a month) instead of the existing temporary establishment at a cost of Rs 300/, ~~that the services of the present Conservancy Manager on Rs 18/~~ may be permanently retained, that the services of the present Conservancy Manager on Rs 18/ may be done away with and his work entrusted to the new establishment and that the collection manager referred to above may be designated as Municipal Shekdar with power to distrain movables on a proper warrant

From the statement accompanying the letter under disposal, it is seen that out of the demand of Rs 3696-0-4 under octroi and miscellaneous items from 1st July 1907 to the 20th June 1908, the collections made by the temporary establishment amounted to Rs 2412-3-4 and the balance remaining to be collected is Rs 1283-13-0

A provision of Rs 300/- made for the existing temporary collection establishment has been retained in the current year's budget with observation that it should not be utilized till the further retention of the establishment is sanctioned
